EXPERIENCE

Financial Management Company, Boston, MA   June 2019 – present
Legal and Compliance Co-op
- Identify exposure to new regulatory interpretations in agreements with Futures Commission Merchants
- Assess legal risk to Wellington in draft documents governing recently developed derivatives
- Evaluate client claims to sovereign immunity for counterparty agreements
- Resolve ad-hoc internal and external queries for the OTC (over-the-counter) derivatives legal team
- Categorize and retain new Investment Management Agreements and other pertinent client documents

Wayfair Incorporated, Boston, MA   Jan. 2019 – June 2019
Algorithms Part-time Associate
- Wrote 2500+ lines of code to estimate shipping costs for 25% of Wayfair's catalog (4 million products)
- Reviewed and tested 1500+ lines of active pricing code for accuracy before it was put into production
- Mentored incoming co-ops on how to perform pricing operations and answer stakeholder questions
- Balanced 15-hour workweek with full-time student responsibilities and extracurricular activities
- Designated by manager as high-performing worker at the end of employment
Pricing and Profitability Co-op   July 2018 – Dec. 2018
- Analyzed pricing data to provide actionable business insights for stakeholders throughout the company
- Troubleshot and resolved 10-15 ad-hoc problems with the pricing system daily
- Created and maintained tools in SQL to efficiently monitor and distribute pricing information
- Ran live pricing experiments on site to inform the way Wayfair priced new suppliers
- Advised strategy for successful supplier negotiation expected to add $5 million in annual revenue

Private Institution, City, ST   July 2014 – Dec. 2016
Seminarian
- Led group of 12 and assisted a larger group of 220 high school students on a month-long trip in Europe
- Edited the republication of a 1200-page book for IVE Press and the Cornelio Fabro Cultural Project
- Taught Latin and English at Private High School (boarding school in Mankato, MN)
- Mentored 20 socio-economically disadvantaged middle school students weekly
- Designed invitations, liturgy guides, and smaller publications for upcoming events
