Northeastern University Neurological Institute Boston MA
Clinical affiliation Fall 0000

- Consulted with neurological team about patient care in rehab center, instituting exercise protocol in hospital rooms/beds
- Participated in weekly interdisciplinary rounds, updated charts, consulted with discharge team about at-home PT needs

PHYSICAL THERAPY EXPERIENCE

SPG Physical Therapy of Natick Natick, MA
Physical Therapist February 0000 – Present

- Perform evaluations and treatment of orthopedic patients, providing outpatient post-operative recovery treatment plans in a private practice orthopedic setting for 12-15 patients daily
- Update and maintain patient charts to reflect progress from surgery and treatment options

XYZ Health Center Boston, MA
Physical Therapy Aide March 0000 – December 0000

- Provided care to patients of all ages at busy PT clinic by assigning and evaluating exercises, assisting with stretching, and collaborating with PT's about patient care plans
- Treated patients diagnosed with spinal cord and nerve pathologies, joint replacements, and ligament repairs
- Collaborated with head PT to implement appropriate post-op exercise plan and assisted patients with hydrotherapy and exercises
- Evaluated and assigned treatment protocols to 4 – 8 patients daily in outpatient clinic and reported findings to PT in charge

Spaulding Hospital for Continuing Medical Care Cambridge, MA
Physical Therapy Intern September 0000 – May 0000

- Administered prescribed in-patient treatment to assist roughly 15 patients daily in rehabilitation of traumatic leg injuries
- Evaluated, planned treatment, and administered care to individual patients through collaboration with PT advisor
- Updated and maintained patient charts to reflect treatment plan and patient progress
- Administered electrotherapy, thermal therapy, and hydrotherapy treatments in conjunction with exercise treatment plans

Physical Therapy Assistant August 0000 – July 0000

- Initiated physician-prescribed treatment plans, including muscle stretching and strengthening through the use of weights, massage therapy and standard gym equipment
- Oversaw treatment protocol for in-home programs by advising patients and caregivers, managing out-patient progress between appointments over the phone or through email
- Conducted internship training for 3-4 new PT aides twice yearly at the beginning of each internship rotation

Rehabilitation Aide July 0000 – December 0000

- Facilitated exercise programs, evaluated progress and implemented changes/updates to treatment as directed by head PT
- Prepared walking aides, wheelchairs and cushions daily for 25+ newly admitted patients, demonstrated use of equipment
