

TALENT CONNECT TIP SHEET

WHAT TO EXPECT, HOW TO PREPARE, AND FOLLOW UP

WHAT TO EXPECT

Talent Connect offers students a valuable chance to network, discover new companies, and explore a variety of co-op and full-time job opportunities. Use this Tip Sheet to prepare and feel confident before the career fair! Here you will find advice on navigating the event successfully and resources to connect with Career Design for additional support.

Talent Connect is open to registered undergraduate, graduate, and doctoral learners, as well as alumni. You must register on NUworks ahead of time to attend the career fair.

Practice Professional Introduction

- Prepare a [professional introduction](#), which is a brief summary of the specific attributes that you can bring to a potential employer. Practice but do not memorize responses.

- Plan for lines and develop a strategy to maximize your time at the fair. Admittance to the fair ends at 6:30PM.

- Allow NUworks access to your camera and microphone.
- Log in from a quiet space with a clean, neutral background and strong internet connection.
- You will use NUworks to access both group and one-on-one sessions.
